

d'ouwe werf is **changing** history....

We are continuing with our exciting renovations to enhance our hotel to provide a more luxurious guest experience.

celebrate our historical moment with our “nuts & bolts” rates as we create 21 more beautiful rooms for you.

april 2011 - going forward

estimated date of completion:

15 November 2011

(unless any archaeological find is discovered which may cause a delay to the project)

The underground parking will be extended.

12 new rooms will be built from an existing building.

6 rooms in the Meiring building will be replaced with 9 new bedrooms.

We will have 51 rooms at the end of the phase.

Please note:

Noise level will be most severe from 11 April – 30 April 2011.

Noisy work will start after breakfast at 10:30 until 16:30 daily.

The area where the building will take place will be COMPLETELY blocked off - guests will not see the construction.

Guests arriving at the hotel will be offered VALET PARKING SERVICE – free of charge.
