

d'ouwe werf is **changing** history....

We are continuing with our exciting renovations to enhance our hotel to provide a more luxurious guest experience.

june 2011 going forward

We are happy to report that our project is progressing very well. Intricate excavations are now taking place and our expert land surveyor is on site ensuring the buildings are aligned with boundaries. We are also constructing the framework for the 1st floor slab of the Meiring Building. We are therefore expecting a fairly noisy period for a few days in about three weeks time. Should you be interested in more immediate information please don't hesitate to call us!

Guests arriving at the hotel will be offered VALET PARKING SERVICE – free of charge.

please do not hesitate to contact us for further information: manager@ouwewerf.co.za

enjoy a 21% saving

celebrate our historical moment with our “nuts & bolts” rates
as we create 21 more beautiful rooms for you.
